

I GOT THE MUSIC IN ME

(Tobias Boshell)

Ain't got no trouble in my life
No foolish dream to make me cry
I'm never frightened or worried
I know I'll always get by
I heat up (I heat up)
I cool down (I cool down)
When something gets in my way I go round it
Don't let life get me down
Gonna take it the way that I found it

I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music in me

They say that life is a circle (circle)
But that ain't the way that I've found it
Gonna move in a straight line (ooh)
Keeping my feet firmly on the ground
I heat up (I heat up)
I cool down (I cool down)
I got words in my head so I say them
Don't let life get me down
Catch a hold of my blues and just play them

I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music in me

Feel funky
Feel good
Gonna tell ya
I'm in your neighbourhood
Gonna fly like a bird on the wing
Hold on to your hat honey
Sing sing sing sing

Heat up, cool down (cool down)
I got words in my head so I say them
Don't let life get me down (don't let it get ya down)
Gonna take it the way that I found it

I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music in me

I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music
Sweet music
I got the music
In me

Don't let it get ya down
Don't let it get ya down
Don't let it get you down
I got the music in me
I got the music in me
I got the music in me
Don't let it get ya down
Don't let it get ya down
Don't let it get you down
