

MONEY 'S GOTTA WIN HEARTS

(Debbie Atterholt – Jean Launay)

They say money can get the votes
A million dollars can buy their hopes
A rich man who never sees the poor
Can be the one that they adore
But when it's just his fantasy
To climb to the top of the heap
Just to admire his own shadow
I'm not sure people will follow

'cause money's gotta win hearts too
Money's gotta win hearts
But how can it do that?
Money's not the best part, no
'Cause if you want to be Last Man Standing
It will take a bit more understanding
Money cannot win hearts, no
Money cannot win hearts

The Beatles said : Can't buy me love !
Diamond rings we're not in need of
But when I look around I see
Lots of people loving luxury
I'd be happy to say the Word
Even if money still rules the world

'cause when some people always want more

Others know what they're looking for

'cause money's gotta win hearts too

Money's gotta win hearts

But how can it do that?

Money's not the best part, no

'Cause if you want to be Last Man Standing

It will take a bit more understanding

Money cannot win hearts, no

Money cannot win hearts

Even though, it seems to be the way of the world

Without dough, there are few chances to be heard

But I have a feeling

This can't be the ending

'cause money's gotta win hearts too

Money's gotta win hearts

But how can it do that?

Money's not the best part, no

'Cause if you want to be Last Man Standing

It will take a bit more understanding

Money's gotta win hearts too

Money's gotta win hearts

But how can it do that?

Money's not the best part, no

'Cause if you want to be Last Man Standing

It will take a bit more understanding

Yes money's gotta win hearts too

Money's gotta win hearts

But how can it do that?

Money's not the best part, no

'Cause if you want to be Last Man Standing

It will take a bit more understanding

Money cannot win hearts, no

Money cannot win hearts

Money cannot win hearts, no

Money cannot win hearts
